LIVING AREA

A LEGEND IN ITS OWN TIME

There's a good reason the Open Road Allegro has been a beloved Tiffin model for nearly 50 years. This coach checks every box for what owners want in a motorhome, with a luxurious design, innovative technology, reliable performance, and quality construction. Not to mention it's our most affordable model. The Open Road also scores high in family-friendly comforts and amenities. With such an impressive history, this model is more than an ordinary RV: It's a legend on the open road. Now, we proudly present the 2019 Tiffin Open Road Allegro.

BED/BATH

MASTER BEDROOM

MASTER SUITE

Relax in your private sanctuary on a memory foam mattress. Pocket doors slide closed for complete privacy from the living area and adjacent bathroom. Shower stall is crafted from seamless fiberglass. Handcrafted cabinets safely secure all your personal items.

MASTER BATHROOM

MASTER BEDROOM STORAGE

Woodwork is created from solid hardwood by Red Bay master craftsmen. The multitude of cabinets, drawers, and closets adds up to more storage than many larger size models.

MAIN COMPARTMENT

Luxury and function merge harmoniously in the roomy living area: Solid wood cabinets organize storage. Attractive composite tile floors easily wipe clean. Fashionable neutral tones hide pet hair. Designer textiles are stain-resistant. And the list goes on.
