

FOREST RIVER PRESENTS

ROCKWOOD

ULTRA LITE | WINDJAMMER | SIGNATURE ULTRA LITE TT & FW

Rockwood Ultra Lite Series

We have custom designed our trailers for the best look and feel you expect when owning a Rockwood.

Quality craftsmanship and attention to detail have been put into our trailers—all with you in mind. The expansive queen-size beds, kitchen dinettes and exterior storage compartments are just a few notable features. Take a look for yourself and see why we are proud to call ourselves Rockwood.

The Rockwood Windjammer uses every possible space for interior room and storage, thanks to its "V" nose design. The aerodynamic, six-sided vacuum-bonded exteriors can be towed by a wide variety of vehicles on the market. A variety of standards and options gives extensive customization for each individual consumer.

Rockwood takes careful consideration to each feature added into each product produced. Every detail is considered ranging from extra sleeping room, storage, comfort and convenience.

Take time to review the features listed below and match them with the competition's products. We're confident you'll discover Rockwood the superior choice.

A Rockwood is one of the few light weight manufactures that is a fully 6 sided vacuum bonded trailer. Our walls, floors, roof, fronts and backs are all built vacuum bonded to ensure a light weight strong structural trailer.

B Structurally engineered materials makes our vacuum- bonded walls some of the strongest in the industry.

C ALKO® AXLES AND EASY LUBE HUBS

- Four wheel independent suspension.
- Lower trailer center of gravity for improved stability.
- No metal to metal contact and no springs, shackles, hangers, or U-bolts to break or wear out.

D Glued and screwed wood cabinetry

E Vacuumed bonded floor with 16" on center aluminum floor joists

ROOF CONSTRUCTION

F1 Vacuumed bonded roof with 2" radius

F2 Radius roof foam with built in A/C ducts

F3 4.5" thick roof foam

The Rockwood Signature Ultra Lite is the ultimate luxury product in the light weight trailer market. Offering more floor plans, features and options than any other in it's class, we stand proudly showcasing over 17 years of experience in a premium product.

PEACE OF MIND.

Forest River has yet another exclusive feature to offer: One year of free roadside assistance will be given to every 2011 Rockwood customer. This is just one more way to say "Thank you" and to ensure an enjoyable traveling experience.

ROCKWOOD WARRANTY INFORMATION

For details on Rockwood's complete warranty program, see your Rockwood dealer. When it comes to backing products with the same quality and commitment it has when it begins the manufacturing process, the only name you have to remember when you're looking for a recreational vehicle is Rockwood. Rockwood offers the following additional limited warranties to the original purchasers. Consult written warranty for details.

1. Twelve-year vinyl roof warranty, 2. Two-year fiberglass warranty, 3. Five-year axle warranty, 4. One-year bumper to bumper, 5. Available second-year warranty.

FOREST RIVER'S HALLMARK OF EXCELLENCE PRE-DELIVERY INSPECTION FACILITIES

THAT'S 20,000 SQUARE FEET OF QUALITY ASSURANCE. THE BARE ESSENTIALS FOR A PREMIUM PRODUCT.

Brought online in 2005, Forest River is proud of its state-of-the-art test facility. This beautiful building blends many of the old tried and true methods of testing our diverse types of RVs with new innovative ways of solving quality issues. Being centrally located to most Forest River manufactur-

ing facilities, this 20,000 square foot PDI (Pre-delivery Inspection) test building gives immediate daily feedback to individual managers. This assures the production facilities that nothing has slipped by the plant's quality assurance personnel and the units are "green" and ready to ship.

FOREST RIVER ENCOURAGES YOU TO

**BUY
LOCALLY**
FROM YOUR HOMETOWN DEALERSHIP.

Forest River, Inc. strongly encourages our retail customers to purchase from their local dealership whenever possible due to the following factors:

1) Our Dealers are as a rule, independently owned and operated businesses. Outside of those customers they personally sold products to, they are not contractually obligated to perform warranty service on Forest River products that were purchased elsewhere. There may be an occasion that you would be required to return to the point of purchase to satisfy warranty requirements.

2) Although many dealerships will eventually service products not purchased at their place of business, they will usually take care of their customers and other Forest River customers who are traveling away from their local dealer as they would their own.

3) Local purchases allow a customer to establish a relationship with a dealer close to home. This relationship provides the customer with a convenient location for service and support from a "home town" professional.

4) The opportunity for a thorough PDI (Pre Delivery Inspection) and product orientation is an additional benefit of buying from your local dealer. Further providing the opportunity for refresher courses or the ability to get questions answered much more conveniently.

5) For our Canadian customers, there are also requirements which must be met to bring an RV purchased out of the country to their home. Although not insurmountable, these requirements may involve such things as additional inspections and certifications, taxes and fees. Your local Canadian Dealer is a professional at meeting these requirements.

6) Forest River's goal is for all RV Owners to fully enjoy their RV experience. In light of this goal, and considering the advantages of buying local, we encourage you to be thorough when determining what product to purchase and which dealer to purchase it from as both are key to your ultimate satisfaction and the realization of your dreams.
