ALLEGRO RED

2016

RED means go.

Built with the quality, comfort, and affordability of our popular Allegro model, the Allegro RED is powered by the might and muscle of a Rear Engine Diesel (RED). The added benefits are impressive. Increased torque and horsepower tackle steep hills and tight turns, while better fuel efficiency lets you log more miles for less gas. Spacious floor plans extending up to 39' 8" comfortably accommodate everyone and everything including many standard luxury features.

THE QUALITY YOU TRUST WITH THE POWER YOU CRAVE.
