# Floor Plans\* & Options

There's an Allegro Breeze floor plan perfect for how you live. That's because all Tiffin floor plans are based on ideas and recommendations from customers like you, folks who share your lifestyle needs. We actively survey owners for their suggestions on modifications that can help improve the flow and functionality of our layouts. Our engineers utilize every single inch of each plan, giving you room to roam on the inside while you roam on the outside.

<sup>\*</sup>Additional floor plans may be added throughout the model year. For a complete and current list of available floor plans and options, visit us online at **tiffinmotorhomes.com** 

# **Interior Décor**

As attractive as Tiffin coaches are on the outside, the interior is where we excel. And the Allegro Breeze is no exception. Our interior designers have put together a selection of rich color schemes to suit many decorating styles. Each option beautifully complements the tones found in the decorative accents and hardwood cabinetry handcrafted in our Red Bay mill shop and will certainly enhance your personal decorative touches.

# **Full-body Paint Schemes**

Full-body paint is standard on the 2012 Allegro Breeze, as is the protective film that seals in the paint to help retain the fresh-painted shine. Tiffin's paint facility is one of the largest in the country and features a state-of-the-art air filtration system that ensures an impeccable finish. Quality control checks are integrated into the painting process. Meticulous attention is given to every single inch of the Allegro Breeze to produce the most precise application.
