ALL THE COMFORTS
OF HOME

This large, well lit bedroom in rich Maple hardwoods features big windows, a huge wardrobe with a built-in dresser and cedar lined drawers, a 32" LED TV, a king size bed and easy access overhead storage.

This 3450RL gourmet kitchen is fit for a master chef! Rich, raised panel Maple hardwood cabinetry provides abundant storage space. Optional stainless steel appliance package includes a stainless steel refrigerator front, stainless steel convection microwave and a stainless steel sealed burner range. (An optional 23 cu. ft. residential refrigerator is shown.)

This one-piece mega shower has a built-in seat, textured glass door and skylight. The Maple hardwood vanity features solid surface countertop with an integrated porcelain sink.

3450RL

Work, rest or play. The 3450RL's living area features a standard 42" LED TV with a built-in, pull-out desk that's cable and internet ready. Optional theater seating is shown in bonded Spice leather. Extra deep flush floor slide rooms are framed with beautiful Maple hardwood fascia. A standard fireplace adds ambience. A king size premier inner spring mattress is a Cardinal standard.

Bedrooms include a 32" LED TV, contemporary, mirrored cedar lined wardrobes and standard washer/dryer prep. (Dual electrical supply allows the washer/dryer to operate simultaneously.)

RESIDENTIAL DETAILS & CONVENIENCE FEATURES

The universal docking station is the protected, lighted, one-stop location with access to utilities, all coach water filtration system, exterior shower, winterizing kit, black water flush, and cable/satellite hook-ups.

Slam-Latch baggage doors.

Frameless deep tinted windows enhance clean styling. Crank windows open for ventilation and easy maintenance. (Dual pane option available.)

42" or 58" LED flatscreen TVs are standard in living areas, depending on the floorplan selected. 32" LED flatscreen TVs are standard in the bedrooms.

Cardinal is built with durable gel coat, vacuum bonded, laminated fiberglass sidewalls, end walls and roof on all slide outs.

Premium E-rated tires are standard on all models with 8-lug, easy lube axles and aluminum alloy wheels.

An easy access, full size spare tire is located in the spacious pass-thru storage area, not underneath like the competition.

The centrally located control panel convenience center is neatly tucked away behind a bulletin board with key hooks and a note pad caddy.

All Cardinal models are built with a radiused roof for more interior headroom.

The ALTA system and remote key fob controls slides, front hydraulic and electric rear stabilizer jacks, the awning and patio light. A hydraulic 6-point leveling system is an available option.

Contemporary ceramic tile backsplash is attractive and easy to clean.

This innovative under table top storage feature provides handy access to games, placemats, magazines and more. Extendable dual leafs and sliding base provide extra room.

MOR/ryde CRE/3000 compression rubber equalizer system for smoother towing.

Tuck away valuables or just keep items handy with cleverly concealed underseat storage.

GVWR (Gross Vehicle Weight Rating) - is the maximum permissible weight of the unit when fully loaded. It includes all weights at the unit's axle(s) and tongue or pin, inclusive of all fluids, occupants, cargo, optional equipment and accessories. For Safety and product performance do NOT exceed the GVWR.

UVW (Unloaded Vehicle Weight) * - is the typical weight of the unit as manufactured at the factory. It includes all weight at the unit's axle(s) and tongue or pin and LP Gas. The UVW does not include cargo, fresh potable water, additional optional equipment or dealer installed accessories.

*Estimated Average based on standard build optional equipment.

CCC (Cargo Carrying Capacity) ** - is the amount of weight available for all fluids, occupants, cargo, additional optional equipment and accessories. CCC is equal to GVWR minus UVW. Available CCC should accommodate fresh potable water (8.3 lbs per gallon).

**Estimated Average based on standard build optional equipment.

Each Forest River RV is weighed at the manufacturing facility prior to shipping. A label identifying the unloaded vehicle weight of the actual unit and the cargo carrying capacity is applied to every Forest River RV prior to leaving our facilities.

PRE-DELIVERY INSPECTION FACILITY

20,000 square feet of quality assurance. The bare essentials for a premium product. This state-of-the-art facility gives immediate daily feedback to production for quality assurance in every unit built.

Forest River, Inc. encourages our customers to purchase their Forest River products from a local dealership whenever possible for the following reasons:

- 1) Forest River, Inc. dealers are independently owned and operated businesses so priority service and scheduling is at their discretion and is often provided to customers that purchased their unit at that dealership.
- 2) Purchasing locally allows customers to establish meaningful relationships with a dealer, enhancing the RV experience through assistance with product questions, user tips or RV regulations for your state or country, and much more!
- 3) Canadian customers must meet requirements to bring an RV purchased out of the country to their home. These requirements may involve additional inspections and certifications, taxes and fees. Your local Canadian Dealer is a professional at meeting these requirements.
- 4) Scheduling timely warranty repairs and adjustments through a local dealership provides far greater flexibility and convenience to you, the customer!

It is the goal of Forest River, Inc. that all of our RV owners fully enjoy the RV experience and that customer satisfaction meets or exceeds their expectations!
